Application No. 09/605,979  
Filed: June 29, 2000  
Attorney Docket No. UA 314

**OFFICE OF PETITIONS**  
**DECISION ON PETITION**

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed April 08, 2008, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to timely file a reply within the meaning of 37 CFR 1.113 to the final Office action of July 18, 2007. The proposed reply required for consideration of a petition to revive must be a Notice of Appeal (and appeal fee required by 37 CFR 41.20(b)(2)), an amendment that *prima facie* places the application in condition for allowance, a Request for Continued Examination and submission (37 CFR 1.114), or the filing of a continuing application under 37 CFR 1.53(b). See MPEP 711.03(c)(III)(A)(2). A response was filed to the final office action on November 19, 2007 after having obtained a one-month extension of time. The response filed November 19, 2007 was deemed to be non-responsive and in the Advisory Action mailed on December 20, 2007 a one month time period was provided from the mailing date. Applicant's response dated January 22, 2008 did not constitute a proper reply under 37 CFR 1.113(a) to the final rejection mailed July 18, 2007. Accordingly, the application became abandoned on November 20, 2008. The date of abandonment is not January 18, 2008 as indicated by the petitioner in the statement accompanying the petition.

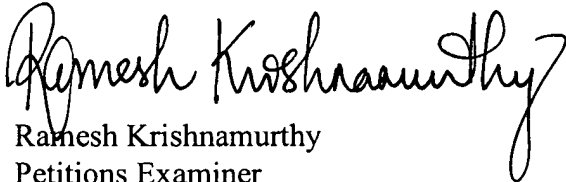

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of a Request for Continued Examination (RCE) and fee of \$405, and the submission required by 37 CFR 1.114; (2) the petition fee of \$770; and (3) a proper statement of unintentional delay. Accordingly, the reply to the final Office Action of July 18, 2007 is accepted as having been unintentionally delayed.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a

reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 103 (October 21, 1997). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

Telephone inquiries concerning this decision should be directed to Tredelle Jackson at (571) 571-272-2783.

This application is being referred to Technology Center AU 3765 for processing of the RCE and for appropriate action by the Examiner in the normal course of business on the amendment submitted in accordance with 37 CFR 1.114.
